Not-For-Profit Organization

Andy Thompson, President

Marion Zeiner, Fair Director

Fair Sponsorship

The Northeast Florida Regional Science & Engineering Fair is a not-for-profit 501c3 organization whose mission is to promote a scientifically literate society through scientific and engineering inquiry and competition. It is our goal to promote the lifelong skills of critical thinking, problem solving, and analysis of data, communication, and public speaking.

Name of donor: _____

Contact Name: _____

Mailing address or email address: _____

Phone number: _____

Please circle your level of sponsorship from the levels below. All sponsors will be listed in the NEFRSEF Program.

Category sponsorship levels: \$1,000 per category

Category sponsors are asked to provide a banner to display in the exhibit hall.

Categories available:

- | | |
|--|--|
| <input type="checkbox"/> Animal Sciences | <input type="checkbox"/> Behavioral & Social Science |
| <input type="checkbox"/> Biochemistry and Microbiology | <input type="checkbox"/> Mathematics & Computers |
| <input type="checkbox"/> Medicine and Health | <input type="checkbox"/> Chemistry |
| <input type="checkbox"/> Physics & Astronomy | <input type="checkbox"/> Earth & Environmental Science |
| <input type="checkbox"/> Plant Sciences | <input type="checkbox"/> Engineering |

Division sponsorship: \$5,000 for either junior or senior division

Division sponsors are asked to provide a banner to display in the exhibit hall.

Regional Fair sponsorship: \$15,000

The Regional Fair will be named for one year for the individual or organization who is a regional fair sponsor. The organization's banner will be displayed in the exhibit hall and the organization logo will appear on the NEFRSEF website.

State Team sponsorships: \$600 for each team member (36 State Team members)

State Team sponsors are asked to provide a banner to display in the exhibit hall.

International Team sponsorships: \$3,000 for each team member (5 International Team members)

International Team sponsors are asked to provide a banner to display in the exhibit hall.

You may submit this form and your check to Marion Zeiner at the address listed above. Please contact Mrs. Zeiner (director@nefrsef.org) for further information.

Thank-you for supporting the Northeast Florida Regional Science and Engineering Fair.
